School Trips

We have booked a whole school trip to Yorkshire Wildlife Park on Tuesday 9th July. The cost of the trip will be £19.50 and will include transport, entrance and a workshop. The trip is a fun, enjoyable way to continue our learning about living things and their habitats. The details will be posted on ParentPay next week.

Parents Evening

Parents Evening takes place next Wednesday 7th May. If you have not yet booked an appointment please contact your child's teacher.

ParentPay

Please make sure you authorise any trips and events before the expiry date. We need to confirm numbers for events in advance so that we can make arrangements for transport and staffing. Last minute requests and alterations create unnecessary work for staff and may result in your child not being able to attend. If you have problems regarding ParentPay and authorising events, please come in and see Mrs Cooper and we will try to help.

This Term's topics

This term is our art focus. Class 1 are learning about Vincent van Gogh and Andy Goldsworthy. Class 2 will be learning about David Hockney's photo collages and Frida Kahlo's portraits.

KS2 School Play

We will be performing a KS2 play this term. Plays are great chances for the children to develop their acting, singing and dancing, work together to create something fabulous and build confidence to perform in front of others. We will be trying something different in terms of organisation. We will be giving out scripts in the week before half term. We will then have three weeks intense practice and aim to perform at the end of June. Other schools in the cluster adopt this approach and we are hoping that this approach may result in less disruption to the teaching of other subjects during the term. This does make it really important that the children learn their lines as quickly as possible so please remind them to practice over the holiday!

Sports Day

Sports Day will be on Tuesday 22nd July at 1pm up on the field.
